

18. EXHIBIT 4 – REGISTRATION FORM

CLIENT: Chisholm – Hibbing Airport Authority

PROJECT: Airpark Building Expansion

LOCATION: Hibbing, MN

Purpose:

The CLIENT is seeking construction management firms to submit qualifications in providing services for the construction of a PROJECT. To ensure that all firms considering or intending to submit their qualifications are provided the same information in advance of that qualification submittal, proposers are asked to register their firm by DATE. This will allow the CLIENT authority to communicate with a proposing firm's contact for any future exchange of information, if necessary. The Contact should be the designated individual to ask questions, as well as receive amendments, additions, or response to questions from the CLIENT concerning this RFP solicitation.
